DEDICATION

To one who has shown sincere interest in each of us...
To one who has warmed us with a smile, encouraged us with
guidance, and instructed us with wisdom...
To one who has listened with understanding, lightened our
load with humor, and criticized us with comfort...
We, the Class of 1981, proudly dedicate this edition of **The
Cap N' Pin** to you...

I have enjoyed being editor of the annual. I consider it a privilege to know that people thought enough of me to want me to be editor.

It was a lot of hard work. I thought there was not going to be an annual for awhile, but after long hours spent on the phone, we finally found just the right company.

I hope you will enjoy the memories, both good and bad, we tried to create in these few pages. Hope you will not be too disappointed because it is paperbacked, we did our best.

At this time, I want to thank the Cap N Pin staff for all the hard work and hours they have put in. A special thanks to Martha Klutz, Jane Burgin and to a person whose name we cannot mention.

May God Bless you!
